The Centers for Disease Control and Prevention has issued updated guidelines on mask wearing, social distancing, and other COVID-19 protocols for fully vaccinated individuals. These new guidelines state that “fully vaccinated people can resume activities without wearing masks or physically distancing, except where required by federal, state, local, tribal, or territorial laws, rules and regulations, including local business and workplace guidance.” Individuals are considered fully vaccinated two weeks after receiving a second dose in a two-dose series, such as the Pfizer and Moderna vaccines, or two weeks after receiving a single-dose vaccine, such as the Johnson & Johnson vaccine. Based on this updated guidance,

IT IS HEREBY ORDERED that:

1. Fully vaccinated individuals are not required to wear masks or social distance in common areas of The Federal Building, 224 South Boulder Avenue, Tulsa, Oklahoma. Common areas include hallways, elevators, stairwells, restrooms, and meeting spaces where social distancing of six feet cannot be maintained (“Common Areas”).
2. Individuals not considered fully vaccinated are required to wear masks and observe social distancing in Common Areas.
3. Tenant agencies shall determine mask and social distancing requirements for employees and visitors within their own internal spaces.
